Dear Dr. Novy:

Greetings, from Open Arms Health, LLC.

Do you—and your staff, your patients--know about the very unusual dual services Open Arms Health offers?

**HOME HEALTH SERVICES –NURSES, CERTIFIED AIDES,
COMPANIONS and**

**ADULT DAY PROGRAM FOR FRAIL ELDERLY? A perfect
combination!**

It is all about **PREVENTION:**

- Preventing Illnesses
- Preventing Hospitalization
- Preventing Falls
- Preventing Depression
- Preventing Poor Nutrition and Dehydration
- Preventing Wound Infections

I will call you to see if I might visit for just 30 minutes to speak with you and your staff about your senior patients and how Open Arms Health might help them. We can provide lunch for a brief lunchtime "In-Service."

Thank you.
